

HASLMS Summer Summit

Tuesday, June 18th @ Lutz Elementary

This summer, HASLMS provides you with an opportunity to:

- Meet objectives in various EET Domains
- Engage in opportunities for personal and professional growth
- Take advantage of a social opportunity

The HASLMS Summer Summit will bring together Media Specialists from every school level to share knowledge and brainstorm solutions for improving best practices and supporting teacher leadership roles.

Interested? Make your plans to come for one or more sessions- whatever fits your schedule, your needs. These are facilitated discussions, not trainings. We are offering two wrap-around morning sessions that will repeat in the afternoon.
